

# Unique modular design

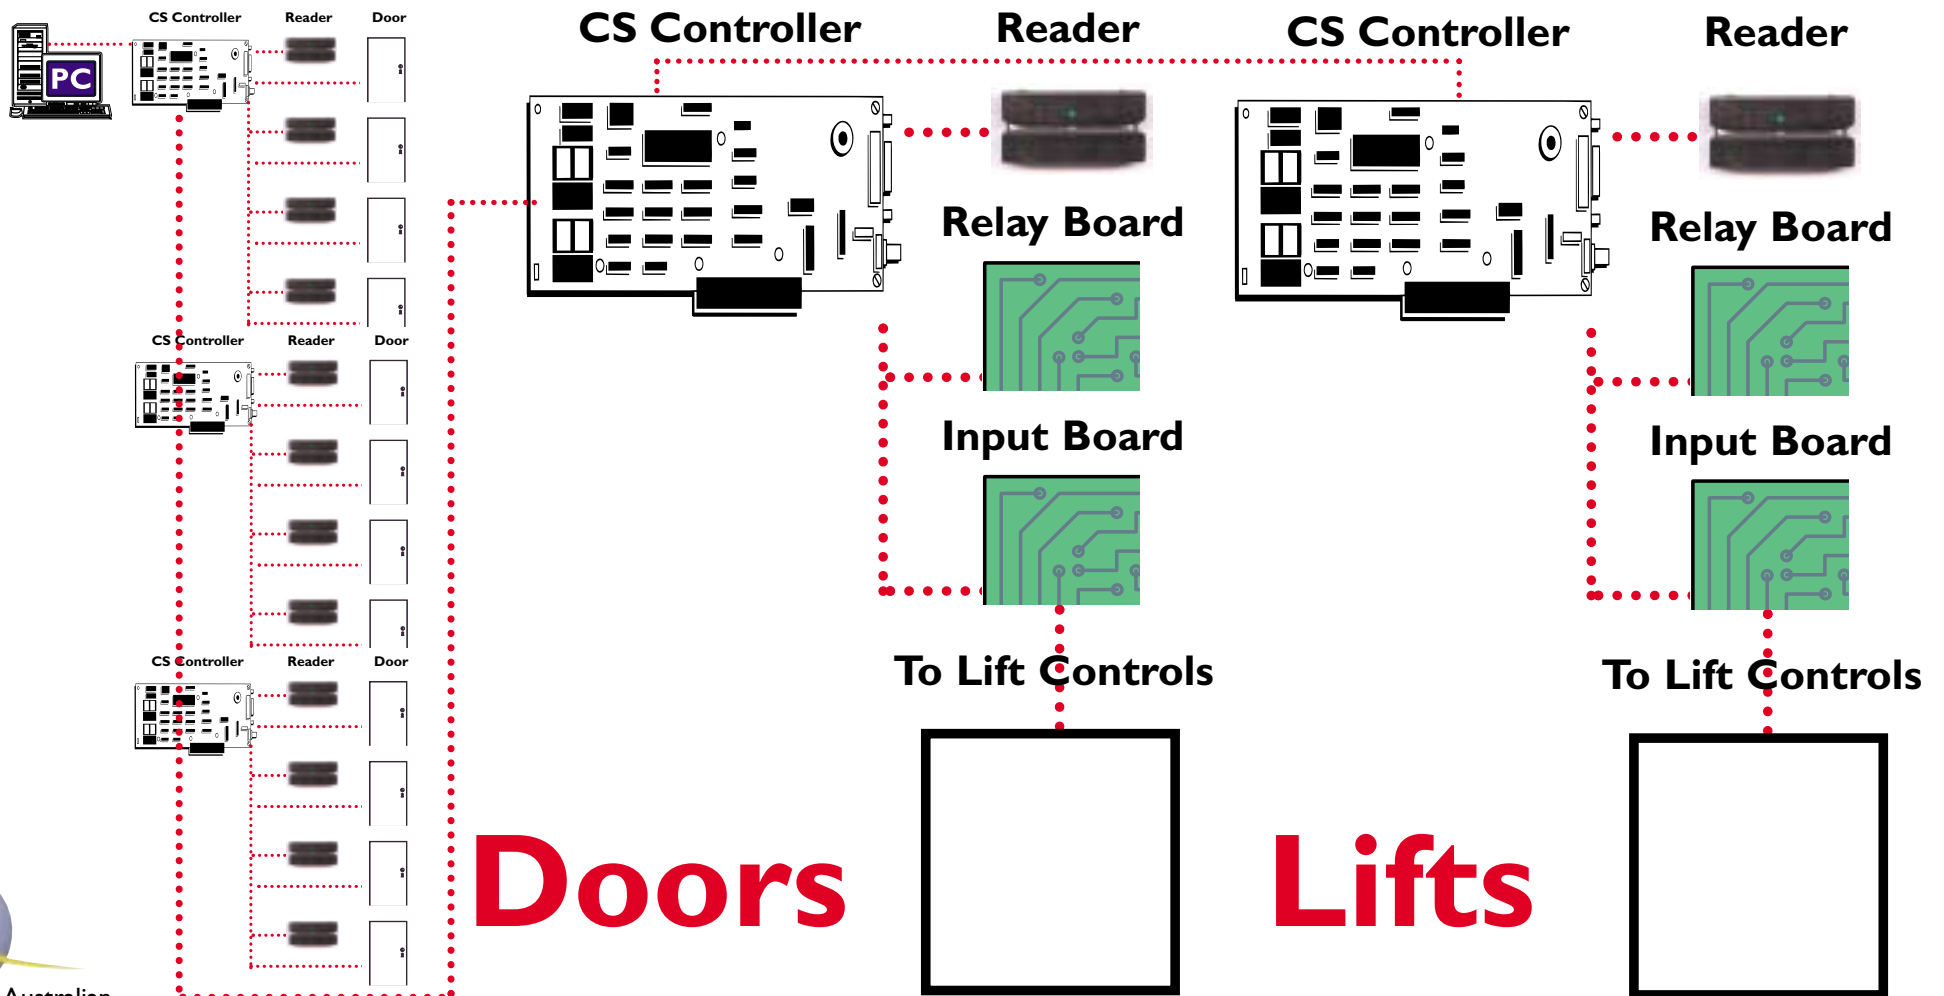

**enables one control cluster**

**to expand exponentially,**

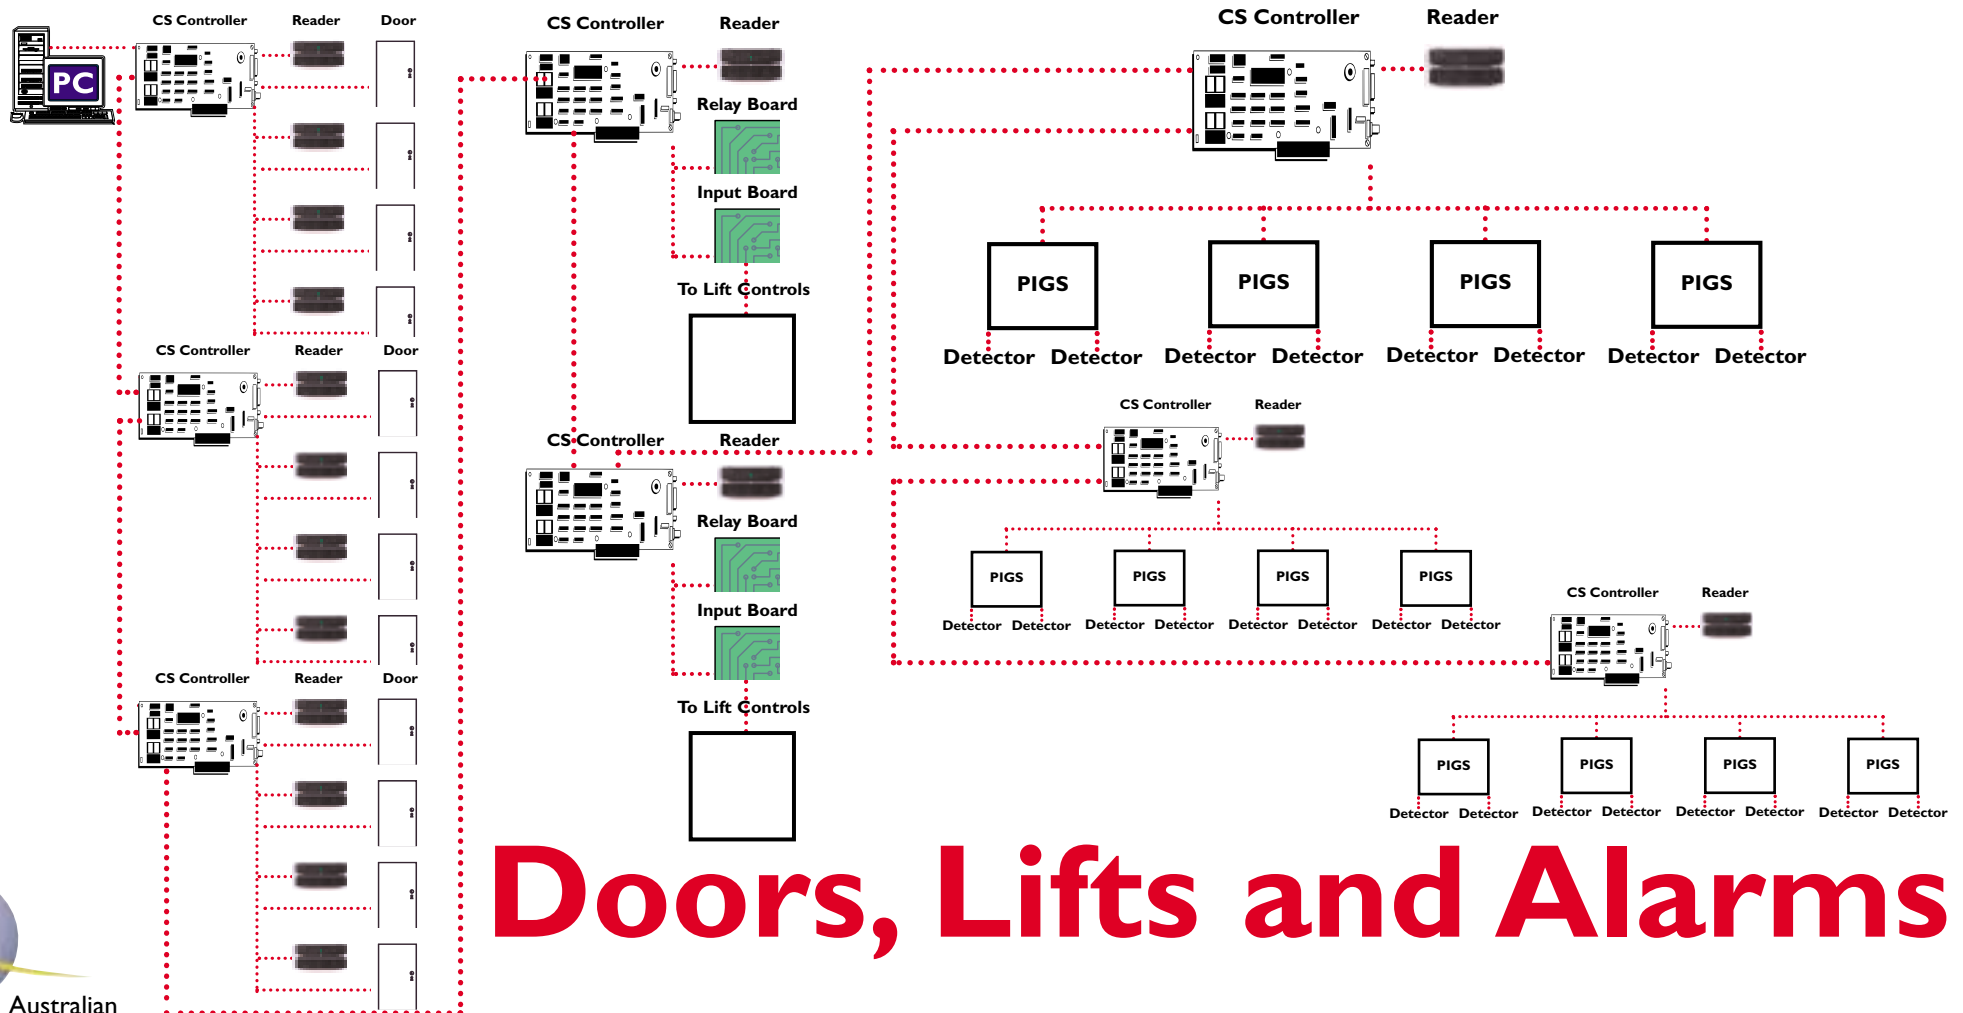

**creating infinitely flexible**

# security/control solutions

# for all building requirements:

**Doors, Lifts and Alarms**

# Supports Most Reader Interfaces

# Internet Access Solutions

# IP-addressable on LAN

# Over 3,000 Controllers

# Over 800 Systems

# Over 10,000,000 Users
