- Personal visit with complete system demonstrations
- A complete site survey of your property
- Installation of the systems by Onity's certified installers
- Hotel staff on-site training by Onity's expert trainers
- Guaranteed replacement and repair of system components
- Extended service plans
- Technical support 24 hours-a-day, 7 days-a-week, 365 days-a-year
- Worldwide coverage

Our electronic solutions can be found in more than 20,000 hotels around the globe.

At Onity, we are on building lasting client relationships and providing the solutions you need anywhere in the world.

Over the past 20 years, we have grown from an electronic lock company, securing millions of rooms worldwide, to an electronic solutions provider of in-room safes, and energy management systems as well, responding to the increasing demand for multiple solutions from a single source with worldwide service and support.

Today, we are recognized worldwide for our powerful combination of innovative thinking and intelligent systems. Turning you on to the promises of progress, and unlocking the potential of partnering the very best minds and technologies.
